PATROL for iSeries - Perform	BMC Performance Manager for iSeries – Perform	Jul-9-2008	<a href="#">Arulraj Antony</a>

## Product Replacements (Optional-Migrations)

BMC Software is alerting users that we are withdrawing these products, and is offering a replacement to customers paying maintenance. This license migration will require the execution of a migration Product Order Form. This will be provided by your Account Manager and will evidence the migration for both of our records. Please contact your Account Manager to initiate this process.

Product:	Note:	Effective Date:	End of Support Date:	Contact:
