What Makes Us Better?

Salesforce.com Platform

- **Secure** – Enterprise-level security with encryption, total data privacy, and full certifications
- **Stable** – Over 4.5 billion daily transactions
- **Scalable** – Automatically adjusts to your business needs while continually delivering high performance
- **Low TCO** – A common platform reduces training, time, complexity, and effort, and reduces costs by leveraging existing skills and resources

Visit trust.salesforce.com and see for yourself.

Commitment to Mid-Market Companies

- Enterprise-level functionality at mid-market price
- Innovative, out-of-the-box capabilities reduce complexity for companies with limited staff or budget
- Simple drag-and-drop configuration with the option to use full platform extensibility
- Strong investment in product development and customer support

Fastest Time to Value

- Dedicated customer success managers ensure successful adoption and ongoing value
- Agile onboarding process reduces time by 75 percent to realize value in 45 days or less
- Pre-built service request templates and best practice tips and videos help IT, employees, and customers make best use of the solution

Seamless Upgrades

- Automatic upgrades create no downtime
- Configurations, custom coding, and integrations are preserved

Agentless Discovery, Asset and Client Management

- IT can identify what is in the environment, manage endpoints, and automate routine tasks

Why Customers **Leave the Competition** for BMC Remedyforce

“Competitor’s solution took longer to implement than expected and resulted in a higher cost.”

✓ Remedyforce implements in weeks.

“There was a lack of in-house expertise to administer the competitor’s solution, and it required outside services.”

✓ Remedyforce requires no coding or scripting and is easily configurable.

“Competitor’s reporting was too basic to meet our needs. Third-party offering was expensive and required technical resources.”

✓ Remedyforce reporting is intuitive and powerful.

“Competitor’s solution included components the customer never used. They were paying too much for what they used.”

✓ Remedyforce is competitively priced with all capabilities included in one price.

“Upgrade with the competitor’s solution was a nightmare. Customizations had to be rebuilt.”

✓ Remedyforce preserves configurations and customizations upon upgrade.

Why You’ll Want **BMC Remedyforce for ITSM**

- Run your business on the most secure, scalable, and reliable cloud platform in the world
- Use less time, money, and resources on setup and administration
- Align IT with the business to empower users, deliver new services, and streamline processes
- Make smart, informed decisions using powerful dashboards and analytics
- Realize value in 45 days or less with a unique BMC partnership model

What Our Customers Say About Us

“Remedyforce generates meaningful reports that provide managers at all levels with visibility into what’s happening in their departments.”

“Our service levels have dramatically improved. We’ve been able to replace multiple legacy tools with a single, comprehensive solution that simplifies IT workflows across our enterprise.”

“Remedyforce was the most cost-effective solution. It offered robust functionality, with Salesforce.com integration.”
