3270 SUPEROPTIMIZER/CICS for VSE	Jul-1-2008	Dec-31-2009	Michael Spencer

From time to time, BMC Software, Inc. evaluates its technology and business practices in an effort to continue to meet customer and market needs. As a result of these evaluations, the company often makes changes; the withdrawal of the following product is one of these decisions.

- 3270 SuperOptimizer/CICS for VSE

Effective July 1, 2008, BMC Software will no longer market the identified 3270 SuperOptimizer/CICS for VSE product: This product will no longer be licensed in any of the markets we serve. We will continue to support the product for a period of 18 months following the withdrawal from marketing. Therefore, effective December 31, 2009 End of Support Date, BMC Software will discontinue all support for the 3270 SuperOptimizer/CICS for VSE product identified.

BMC Software does not have any migration plans for this product.

Please be assured that BMC Software is committed to providing you with state-of-the-art software solutions. Our software developers, support and sales personnel are highly trained professionals dedicated to ensuring that BMC customer requirements are addressed with the highest level of customer satisfaction.

If you have any questions, please contact your BMC sales representative at 1-800-841-2031 or Mike Spencer at mike_spencer@bmc.com.

As a valued customer, we thank you for your support and hope that we can continue to serve you with other quality products. If you are interested in more information on BMC Software products, please feel free to visit our web site at <http://www.bmc.com>.
