

BMC Education Subscription Service

Take full advantage of your education investment

BUSINESS CHALLENGE

In rapidly changing environments, it's difficult to stay up-to-date with new versions, changing roles, and the most recent training available. Customers want ungated access to the education that is most relevant to them.

BMC APPROACH

BMC Education Subscription Service offers twelve months of continuous access to our offerings for one product, virtual instructor led online training, on-demand content, and certifications.

KEY BENEFITS

Customers realize many benefits when utilizing our subscription service:

- **Get More** – Continuous access to your selected subscription content for one product including any associated courses and certification exams
- **Exclusive Content** – Access education services exclusive to subscription (e.g., six hours of instructor coaching)
- **Ease of Use** – One-stop shop to a complete product portfolio of education
- **Save Money** – Save up to 70% over the cost of purchasing the same content separately
- **Future Proof** – New content and latest releases automatically added at no additional cost, so your subscription is always up-to-date
- **Flexibility** – Train on what you need, when you need it, and how you want to access with multiple learning options (i.e., ASP, WBT, virtual instructor led)
