

World-Class, Assured IBM z Mainframe Solutions

Delivering the help you need

WHAT MAKES US DIFFERENT?

Reliability

Maintaining what we believe to be the largest available pool of mainframe skills clearly stands BMC Mainframe Services by RSM Partners apart in the IT industry. End users, System Integrators, ISV's, the big consulting companies and IBM themselves regularly rely upon BMC Mainframe Services by RSM Partners for specialist mainframe skills.

Agility

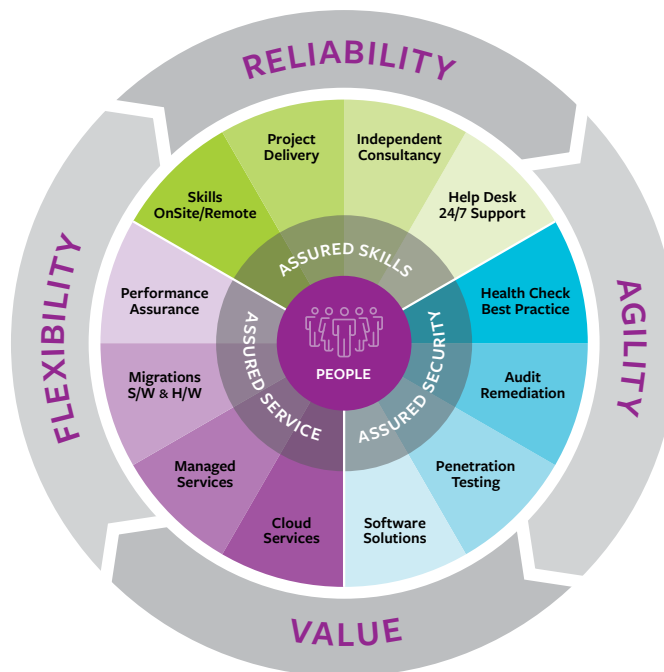

Being so highly focused gives BMC Mainframe by RSM Partners the agility to respond quickly to specific client needs, often at very short notice. In a recent case, we were onsite within 90 minutes of an urgent request being made for help, remaining there, assisted by others arriving from BMC Mainframe Services by RSM Partners, over a 96-hour period, getting the problem resolved.

Flexibility

While onsite, our consultants benefit from having instant call upon the vast knowledge contained within BMC Mainframe Services by RSM Partners – over 1000 years' experience of maintaining mainframe infrastructures! Equally, our clients also benefit. Having access to this unique and extensive skills pool, on a totally flexible basis invariably proves invaluable.

Value

BMC Mainframe Services by RSM Partners is proud of its long track record of client satisfaction – delivering projects, on time, on budget, every time. We constantly strive to exceed client expectations through a mix of reliable skills, careful project management, and vigilant service delivery management – all enthusiastically delivered by senior industry professionals.

WHY BMC MAINFRAME SERVICES BY RSM PARTNERS?

BMC Mainframe Services by RSM Partners is a global provider of mainframe expertise, software, and services - 100% focused on the z System marketplace. Working with many of the world's largest organizations - spanning financial, retail, utility, government and service organizations - no other provider can offer you the same mix of z knowledge and hands-on experience.

At its core, BMC Mainframe Services by RSM Partners is a people business, maintaining a strong reputation for the reliability, professionalism, and depth of skills that our people have. Carefully selected and vetted, BMC Mainframe Services by RSM Partners consultants invariably have a lengthy pedigree of experience in large organizations, coupled with deep expertise in a number of specialist mainframe infrastructure areas.

BMC Mainframe Services by RSM Partners aims to address the headaches and challenges you are typically facing: **assured skills**, **assured service delivery**, and **assured security** – giving you increased confidence in the reliability and robustness of your mainframe environment.

Within each of these areas: skills, service delivery, and security, we have developed a number of offerings, aimed at providing you with the most cost-effective solutions to these problems.

Ask any BMC Mainframe Services by RSM Partners client what stands us apart and the answer usually reflects one or more of our core values: **Reliability**; **Agility**; **Flexibility**; **Value**.
