OpenSSL 1.0.1 Heartbeat overflow issue for BMC products

BMC Software is alerting users to check the [BMC Support Home page](#) for the latest information about products assessed for vulnerability. Only a few assessed products are affected.

Although we have no indication that any data has been exposed, we are exercising caution and following best practices to ensure that we continue to provide a secure environment to all BMC customers.

If you have any questions about the issue, contact BMC Customer Support at 800 537 1813 (United States or Canada) or call your local support center.
